Day One: Today we will start out with coffee & rolls en route so we can get to know our fellow travelers. We will make our first very fun stop along the way & also a lunch on own stop. We will arrive at our hotel for the next 3 nights to get settled in. You will have a free evening to swim or shop & the hotel has a very nice restaurant & lounge to enjoy.

Day Two: Today after our included breakfast we will start out with a City Tour of what city? You don't know! We will have a busy day with many stops & doing some things you would never expect! It will be a busy day where you will learn a lot about many things. We will return to our hotel for again another free evening to relax after a day of keeping busy.

Day Three: After our included breakfast we will be exploring the area around our host city and will enjoy some new and very exciting things in town! We will do some shopping, have an on own lunch at a very special place and see one of the most spectacular sights I have seen in a long time. We will return to our hotel to freshen up and kick back a little before we go out for our included farewell dinner.

Day Four: Once we have our included breakfast this morning and our luggage is stored, we still have more to see. We just couldn't get it all in so will make a few stops before we arrive home with many fun and surprising memories.
