

Medcare Portable Ceiling Lift

MEDCARE
PRODUCTS

Ceiling lifts dramatically reduce and eliminate injuries resulting from patient handling. The Medcare Portable Ceiling Lift solves many of the problems that make patient transfers complex or difficult. It is lightweight, portable and designed to provide complete control for the caregiver. In addition, it offers a wide range of safety mechanisms to assure confidence throughout the transfer.

The Medcare Portable Ceiling Lift is easy to hold and available in two lifting capacities: 440 lbs. and 600 lbs. It can be moved from one track system to another, providing a safe transfer in multiple rooms.

Item Number:

303090: Portable Ceiling Lift,
lifts up to 600 lbs.

303070: Portable Ceiling Lift,
lifts up to 440 lbs.

Features:

- Automatic sleep function provides battery conservation
- Manual traversing
- 80" lifting range
- Lift hook securely snaps onto track trolley eyelet
- Built in safety stops
- Visual low battery indicator
- Emergency lowering system
- Dual location controls - Hand control and control panel on lift
- Pneumatic hand control
- Oversize buttons on hand control for easy operation
- 4-point sling hook-up system
- Over-speed safety governor
- Soft start/stop for comfort
- Heavy duty batteries for more lifts
- Efficient battery charge cycle
- UL Certified
- 1 year warranty (excluding batteries)

“The Medcare Portable Ceiling Lift is designed to be easily moved from one track location to another.”
